Dear Mr. Filas:

On August 30, 2012, the Associate Director for Mining of the Division of Oil, Gas and Mining approved the replacement surety and reclamation contract for the transfer of the Notice of Intention (NOI) for the referenced project from Denison Mines (USA) Corporation, to Energy Fuels Resources (USA), Inc. Attached to this letter are copies of the approved reclamation contract and the surety bond. Also enclosed is a copy of the replacement pages for insertion into your copy of the NOI. You are now solely responsible to conduct mining and reclamation as outlined in the approved NOI. Denison Mines (USA) Corporation is hereby released from any further reclamation liability under this permit.

Enclosed is a copy of the original reclamation contract for Denison for your files or records.

Thank you for patience in completing this permit transfer. Please refer to file M/037/0006 in any correspondence regarding this operation. Please contact Tom Munson at 801-538-5321 or me at 801-538-5261 if you have questions or concerns about this action.

Sincerely,
